Psalm 75:2 “At the set time that I appoint
I will judge with equity

Reflection questions:

1. The imagery of the cup in Psalm 75:8 and Jesus drinking the cup of God’s wrath (Matt. 26:39) underscores the thoroughness of divine judgment and redemption. How does Jesus’ sacrifice shape your understanding of God’s justice and mercy? How does it affect the way you approach your own sin?

2. Psalm 75:9-10 promises that God’s justice will ultimately prevail. How does this hope sustain you when you encounter ongoing injustice or suffering?
